Faculty of Computer Science

Faculty of Computer Science has been engaged in promoting education and research in the fast growing field of software technology to produce computer science specialists. The present era belongs to Computer Science. We are well aware of the rapid developments in this ever advancing field. Students of this program will help in strengthening research projects in core computer science areas and bring new ideas for establishing independent businesses that shall contribute towards the economy of Afghanistan.

Department of Computer Science

Degree awarded:
Bachelor of Computer Science (BCS)

Department of Information Technology

Degree awarded:
Bachelor of Information Technology (BIT)

Fee Structure

Actual Fee Per Semester		
30,000 AFN		
Scholarship Percentage		
Morning Time	Noon Time	Evening Time
18,000 (40%)	18,000 (40%)	18,000 (40%)

Class Timings:

For **male** Students
08:00 AM – 12:00 PM
01:00 PM – 4:00 PM
05:00 PM – 8:30 PM

for **Female** Students
07:30 AM – 11:30 AM
01:00 PM – 4:00 PM

Career Opportunities

- ➢ **Web Application Developer.**
- ➢ **Desktop Application Developer.**
- ➢ **Artificial Intelligence Programming.**
- ➢ **Database Security Analyst**
- ➢ **Network Engineer**
- ➢ **Network Security Specialist**
- ➢ **Software Requirement Analyst.**
- ➢ **ICT Project Manager**
- ➢ **Data Scientist**
- ➢ **Mobile Application
  & Game Developer**

VISION

Faculty of Computer Science wants to be recognized as a national level quality academic and research-oriented computing center, and to educate industry aligned students with technical capabilities for the growth of our country

MISSION

Computer Science Faculty is keen to solve computing problems of the society through research and experiment by qualified faculties and trained students. Providing quality education which can develop capabilities of the students both in application and theoretical aspects, who will contribute positively to the economic well-being of our region & to develop systems that solve problems on national level in technology.

Overview of Subjects Credit Hours

No.	Name	Credit Hours	Percentage
1	University Requirements	16	11.27 %
2	Core Subjects	43	30.38 %
3	Professional Subjects	77	54.12 %
4	Monograph and Internship	6	4.23%
5	Total	142	100 %

Practical & Theory Percentages

	Theory	Practical	Total
Credit Hours	85	57	142
Percentage	59.85 %	40.15 %	100 %
